While itineraries are pre-planned there is some flexibility and you'll have plenty of privacy. This trip will appeal to families that the parents want to spend pleasant time with their kids and the kids to try new things and get socialized in an active way.

Day-by-day itinerary

DAY 2: Sailing: Today, you will walk to the small dock Mandraki where the sailing boat with the experienced skipper will be waiting for you. All aboard, sails up and the experience begin. You will learn the basics of sailing even if this is your first time. You will have the chance to steer the boat, make some knots and handle the sails.

Sails up again and we head back to the dock. Overnight Rhodes.

DAY 3: Horse riding

In the morning you will head to the horse-riding centre right next to the seashore. The hospitable instructors will welcome us and they will teach us the basics of horse riding.

When we get ready, our tutor will take you for an about 30 minute ride through the beautiful nature of the island from where you

will admire the view of the sea. Free time in the afternoon.
Overnight in Rhodes

DAY 4: Free day

Today you will have a free day for yourselves with plenty of different options. You can spend your day at the beach or relax at the hotel, take a walk in the town, or arrange with us an extra activity. Windsurfing, kitesurfing, mountain

biking, hiking and jeep safari are just some of the alternatives. Another amazing option is a daytrip to the highlights of the island. The valley of the butterflies (yes it's millions of them), the 7 springs area, the neighboring island of Symi and Filerimos hill are just some of the attractions that you should visit. Overnight Rhodes.

DAY 5: Waterpark: This will probably be the most fun day of your trip. Checking out of the hotel in the morning we head south to the waterpark. Our destination is the biggest Waterpark of Greece. The kids (and the adults!!) will love the awesome waterslides, the wave pool, the pirates ship, the wet bubble, the lazy river and of course the bars and the sun beds! Non-stop play and fun in an imaginary atmosphere that will make you forget about time.

In the afternoon we continue south to Pefkos to check in on our accommodation there. Free time to walk around and explore the small town. Overnight Pefkos.

DAY 6: Watersports: This day is dedicated to the Greek beach and sea. We will transfer you in Kiotari beach at the Watersports Centre. You will spend your half day there resting on the sun beds, enjoy cocktails and drinks at the beach bars and of course have some Watersports. Banana, tubes, rings, pedalo, water-ski, wakeboard or sailing with catamarans are just some of the activities you can enjoy!

At the early afternoon we transfer you back at the hotel. Again free time for the afternoon.

DAY 7: Scuba-diving: This day will be unforgettable for those who will dive for the first time. The scuba diving base is just some minutes on foot from the hotel. From there we will be transferred at the St Paul bay in Lindos, one of the most picturesque places of Rhodes.

Almost anyone can enjoy diving, you will be surprised by just how easy it is. After a brief theory lesson you will soon be gliding through our amazing underwater world. The really experienced and responsible instructors will make this really easy for you. The first dive is up to 6 meters under the water and for those who make it and want a second dive there is the option to do so! 12 meters of depth and in the underwater cave is an experience that you will never forget.

Free time for relaxation in the afternoon. Overnight Pefkos.

DAY 8: Packing our luggage, we get ready to depart. We will handle your transfer at the airport for your flight back home. We the Greeks don't like to say goodbye. Instead we prefer to say «Εἰς τὸ ἐπανεῖν» which means that we hope to see you again sometime!
